At Riverside Nursery we believe that children learn best when they are healthy **safe** and **secure** and by being actively involved in their learning. We believe that children thrive when they have positive relationships with the adults caring for them.

We have lots of special visitors to make our learning as exciting as possible.

We were very lucky to have a visit from a princess. Cinderella came in to tell us a story and sang us some lovely songs. She told us all about her palace and her Prince charming! She even sprinkled us with princess dust that was all glittery!!

A very special visitor!
