

28th NOVEMBER 2018

Dear Parents & Carers

A HUGE thank you to the parents and pupils who so generously donated money to our Pudsey Children in Need Day. The pupils looked great and raised over £720!! This money has been donated to this wonderful charity.

We also raised lots of money with our Poppy Appeal. The man from the British Legion who collected the donation tins said they were the heaviest of any school he had collected from.

**Impetigo**

Over the last few days we have had 4 confirmed cases of impetigo. This is a skin infection that is very contagious and common in children. Impetigo starts with red sores or blisters, usually around the mouth, and these quickly burst and leave crusty, golden brown patches on the skin.

The advice on the NHS website is that you should consult your doctor if you believe your child has impetigo. Treatment is normally antibiotic cream or tablets. Should your child have impetigo, please keep them home from school for 48 hours after starting treatment, to avoid spreading the infection in school.

Smoking at the school gates

Last week 2 children from Year 4 came to ask me to write to parents asking them not to smoke around the school gates as they didn't like walking through the smoke. I was really delighted that young children have recognised this and wanted me to ask all parents to set a good example and not smoke around the school.

Tuesday morning Keep Fit for parents 9:00 – 10:00

Just to remind you all that we are still holding our Keep Fit classes for parents at school which is completely free. Please feel free to come along with your towel and bottle of water.

Year 2 Christmas performance tickets will be available outside the Drama Room before school.

Nursery and Foundation - details to follow.
