## RAISING ATTAINMENT IN PRIMARY SCHOOL SWIMMING

How Riverside are using Sport Premium to support swimming?

The premium can be used to fund the professional development and training that are available to schools to train staff to support high quality swimming and water safety lessons for their pupils. Riverside has been able to hire a Sports Coach who is supporting high quality and water safety during swimming lessons.

The premium may also be used to provide additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. In Year 4 all children participate in swimming lessons, here we are able to identify what children need extra support and the amount of these children who are pupil premium.

At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water. Riverside are constantly reviewing and identifying pupils who are unable to swim 25m confidently by Year 6, it is our vision for every child to be able to swim confidently and safely before they leave Primary School by using the Sport Premium budget!

# Riverside Community Primary

## Evidence of Sport Premium- Swimming! 2017-2018

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	<b>75%</b> <b>The 25% of children who did not reach this benchmark have been provided with outside agency support.</b>
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	<b>75%</b>
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming. Have you used it in this way?	<b>Yes, we have used Sport Premium to support a selection of children who wanted to participate in top up swimming lessons to build confidence and learn a selection of different strokes/diving techniques!</b> <b>This was also used to support children reach 25m and confidently use a range of strokes.</b>

Key achievements to date-	Areas for further improvement for 2018-2019:
<ul style="list-style-type: none"> <li>✓ Specialist Sports Coach to support top up sessions for swimming.</li> <li>✓ Swimming has been timetabled into Year 4 curriculum. A spreadsheet has been provided for teacher to constantly review and update children's swimming ability.</li> <li>✓ Children who will need extra provision are identified in Year 4, where they will proceed to receive top up sessions throughout key stage two until they are confident and can swim a distance of 25m with confidence using a variety of different strokes.</li> </ul>	<ul style="list-style-type: none"> <li>✓ Identifying key groups of children who need top up sessions during swimming time in year 4, to support parents in taken their children to extra curriculum sessions.</li> <li>✓ Organising and running top up sessions for gifted and talented swimmers to take part in swimming badges and diving techniques.</li> <li>✓ Supporting staff to take children to top up sessions.</li> <li>✓ Support children in swimming in 2018-2019 to achieve more than 75% children to swim 25m, using a variety of strokes safely and confidently.</li> </ul>
