

Food Glorious Food!

L

- Some of us will be following the Read Write Inc Literacy programme to develop our phonic and reading skills.
- We will write a fantasy story set in space.
- We will write an information text about chocolate and present it to others.

N

- We will be solving practical problems, especially measures and adding / subtraction.
- We will be learning the value of coins.
- We will also be looking at fractions and division.
- Children will also be learning how to measure and record time using hours/ minutes/ seconds.
- Finally, we will be naming 3D shapes.

S

- We learn about exercise and healthy eating.
- We look again at materials and investigate melting and freezing, changing some materials from solid to liquid and vice-versa.

C

- We will create a 3D animation showing our knowledge of how cocoa beans are turned into chocolate.

RE

- We will continue learning about leaders and teachers, thinking who are the leaders and teachers within our own experiences and across a variety of faiths.

The **Big** Question

Where does our food come from?

We compare the physical and human features of Plymouth city to the capital city of Ghana. We explore cocoa production and look at how foods from other countries have influenced our diet, considering whether the foods we choose are healthy or not.

Entitlement

To link into our science learning, we will be making our own chocolates.

To create fruit and vegetable animals at home with our families.

DT

- We will be practising our cookery skills, before creating our own nutritious dishes.

A

- We will study the artist Guiseppe Archimboldo who created portraits by representing parts of faces with fruit and vegetables!
- We will then create sculptures of faces and the human form using fruit and vegetables too!

PE

- We will be indoors practising our gymnastics skills.
- We will create Dances based on our Literacy focus on fantasy stories about aliens and space.

G

- We will look at the similarities and differences between the South West Region and Ghana.
- We will find out about the cocoa producing regions of Africa and learn about the importance of Fair Trade.

M

- We will be listening to music from Hol's 'Planet Suite' and some of the soundtracks from the Star Wars films.
- We will then use a range of instruments to compose our own short pieces representing space, aliens or explorers.

Our Learning Behaviours

- We are being ready by arriving at school on time and showing our magnet eyes!
- We are learning to be responsible for our equipment and our PE kits.
- We are learning to be reflective when we look at the work we have done.
- We are learning to be respectful by saying please and thank you and by listening to our friends.
- We are learning to be resilient by not giving up when we find something difficult.
