

Dear Parents & Carers

I was hoping after the half term break that the weather would start to improve and we could start running our first mile of the Half Marathon. Unfortunately, it is still cold, wet and miserable, but hopefully the weather will start to improve and we can get out and start running soon.

Parents evening

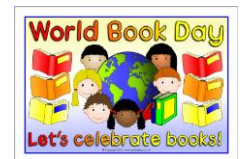

Just before the half term break we held our parents evenings. Across the school we managed to see an average of **94%** of parents and over **300** completed our survey forms. These surveys allow us to evaluate how we are getting on and what we need to do to satisfy the needs of our community. The results will be analysed over the next few days and the information displayed in the entrance area.

If you were unable to meet with your child's teacher, please contact the teacher directly to arrange an appointment.

Parents of children in 2C will be contacted in the next few days to rearrange their parents evening.

World Book Day – Friday 6th March

All pupils are welcome to come dressed as any book character and take part in our assembly. This will be followed by our school Book Fair, held after school, on **Monday 9th**, **Tuesday 10th** and **Wednesday 11th** March in the Drama Hall.

School Uniform

Please can I remind parents that all pupils are expected to wear school uniform to school every day. Pupils like to fit in with their peers and the best way of doing this is by wearing their uniform. Over the last few days I have noticed a number of children wearing brightly coloured trainers or jumpers, which are not suitable for school. Please also add their name to all of their items of uniform.

Coronavirus

As a school we are aware of the ongoing situation with this virus and have received regular updates from the Local Authority and the Department of Education. Currently the risk to pupils at our school is very low and only pupils who have travelled to the infected areas need to be away from school.

At school, we have talked about the importance of personal hygiene and the need to wash our hands frequently with soap and water and also to use a tissue when sneezing and throwing the tissue away.

If any information changes regarding the Coronavirus, we will, of course, let parents know.

Staff Car Park

Please can I remind parents not to use the staff car park to drop off pupils at the start or the end of the day.
