

Dear Parents & Carers

What a strange term this has been and as we move into the last few weeks of the term, it doesn't seem to get any more normal.

At this time of year the school is normally filled with the sound of Christmas rehearsals, unfortunately all of those events are not able to take place this year. As a school, we are thinking of different ways to make the end of term special for the children, whilst keeping within the restrictions which are imposed upon us.

Face Coverings

I would like to thank all the parents who have been wearing a face covering when on the school grounds, which has reduced the risk of infection.

Please can I remind parents not to smoke around the entrance of the school, as I have had a number of complaints over recent weeks.

Christmas Cards

I have been asked if Christmas cards are allowed this year. Following advice from Public Health England, all cards will be stored for **48 hours** before being given out, so cards can be sent to school if your children wish to.

Catch up Programme

Since half term we have been running our school Catch up Programme. These small group lessons have been a huge success and we will be continuing these after Christmas until the Easter break.

The Catch up Programme will **NOT** be running the last week of term **Monday 14th – Friday 18th December.**

Christmas Jumper Day

To coincide with our Christmas lunch, pupils are encouraged to wear a festive jumper on **Wednesday 16th December** for a silver coined donation. The money raised will be donated to the Save the Children charity.

A reminder that children return to school on Monday 4th January.

B Jones
Head Teacher (30.11.20)

After reading the recent newsletter, I would like to make the following comments:-
