

RIVERSIDE COMMUNITY PRIMARY SCHOOL

25th MARCH 2021

Dear Parents & Carers

A huge thank you to everyone who supported our school Red Nose event. The 400 noses we had were all sold out and in total we raised over £866 for this excellent charity.

Covid Rules

Please can I remind all parents that we, as a school, are still working under the strict rules imposed by the government. These rules have allowed us to be a safe environment where learning has continued.

Until the rules are changed by the government we will have to continue to comply with the following:-

- Children to be dropped off or collected by one household member
- Do not send children to breakfast club before the 8:00am start time
- When arriving or collecting, do not loiter around the school talking to other parents
- Wear a mask when on school grounds
- Outside of school, please maintain the government rules on social mixing

Within school we will continue to keep pupils in their year group bubbles until the rules are changed in the future.

Easter School by Fit and Fed

A number of parents have registered their children to attend an Easter School Fit and Fed activities club.

The forms have been taken by Fit and Fed and they have been organising who is able to attend. Fit and Fed have received funding for only 30 children so I'm afraid a number of parents will be disappointed that their children have not got a place. I hope Fit and Fed will run a club during the summer, but I need to remind parents that this is dependent on receiving government funding and cannot be guaranteed.

I would also like to remind parents that school staff are not involved in the selection of the pupils nor will they be in attendance during the event.

Mufti Day – Wednesday 31st March

All pupils are invited to wear mufti on the last day of term. This mufti will be for a silver coin donation.

Our new school menu is on the reverse of this newsletter.

Please have a lovely Easter break and I look forward to seeing everyone back on **Monday 19th April.**

B Jones
Head Teacher (25.03.21)

After reading the recent newsletter, I would like to make the following comments:-
